

OUR DOCTORS

Dr Nigel Duglison

MBBS, FRACS (Urol)

Urologist

Dr Duglison underwent 2 years of sub-specialist training in 'Reconstructive and Prosthetic' urological surgery at the Institute of Urology, University College London Hospitals under the mentorship of the internationally renowned reconstructive urologist Professor A R Mundy.

In 2002, Dr Duglison returned to Brisbane, having been appointed Director of Urology at the Royal Brisbane Womens' Hospital. He has developed the Urology Department to incorporate Robotic, Laparoscopic, Laser, Prosthetic, Reconstructive and Flexible endoscopic surgeries along with Prostate MRI and Brachytherapy. Concurrently Dr Duglison has continued to develop his own comprehensive Reconstructive + Prosthetic private urological surgery incorporating regular international mentorships and training.

Dr Duglison completed his medical degree at the University of QLD in 1989 and received his Fellowship from the Royal Australasian College of Surgeons in 2000.

Dr Duglison is Director of Urology at RBWH (2002-) and has expanded this department to 10 consultants, 4 registrars and 4 specialist nurses supported by 3 administrative staff. This department is responsible for tertiary referrals from across Queensland.

He is currently the Chairman of the Northern Section of the Urological Society of Australasia representing Queensland Urologists. He has previously served a three year term as Queensland Chairman of the Training, Education and Assessment Committee.

Dr Duglison has facilitated research undertaken through RBWH, University of Queensland and Wesley Research Institute.
