

OUR DOCTORS

Dr Erwin Groeneveld

MBBS (Qld), FRANZCO

Specialty Ophthalmologist, Cataract and Retina Surgeon

Dr Erwin Groeneveld is an experienced Ophthalmologist and Vitreoretinal Surgeon.

He established a private practice, Brisbane Eye Clinic in 1990. He has served as a Visiting Medical Officer to the Public Hospitals and Veteran's Affairs for over 25 years where he taught trainee registrars. He now provides on call services for private ophthalmic emergencies.

Dr Groeneveld has extensive experience in the management of complex:

- **Cataract Surgery**
- **Retinal Surgery**
- **Diabetic Eye Disease**
- **AMD**
- **Glaucoma**

He has served as an officer in the Australian Army Reserve, as an AusAID surgeon in the Pacific and as an office bearer for his professional college.

Dr Groeneveld operates on patients with cataract, glaucoma and retinal pathology at the Westside Private Hospital day surgery which is located in Taringa.
