**MBBS, FRACS (Gen), FRACS (Plast), FACS, CIME**

*Plastic and Reconstructive Surgeon*

Dr Ingram is a specialist plastic surgeon with over two decades of experience as a specialist. His comprehensive training and experience in reconstructive and aesthetic plastic surgery is world-class.

Dr Ingram is a graduate of the University of Queensland School of Medicine (MBBS) and Fellow of the Royal Australasian College of Surgeons (FRACS), achieving full specialist qualifications with the RACS in two specialties, general surgery and plastic and reconstructive surgery. Dr Ingram is also a Fellow of the American College of Surgeons (FACS), and thus holds three specialist surgical qualifications. In addition, Dr Ingram has undertaken further intensive training in reconstructive and aesthetic surgery and other cosmetic treatments in Australia and abroad. As a specialist Dr Ingram has held positions as a full-time academic at the University of Queensland and as Director of Surgery at Mater Health.

In 2003 Dr Ingram established his own private practice, the 'Form & Function Clinic', now known as 'Renaissant Aesthetic Health'. Dr Ingram is an active member of several Australasian, American and other International professional bodies including plastic surgery, aesthetic plastic surgery, hand surgery and head and neck surgery societies. A current board member and past President of the Australasian Society of Aesthetic Plastic Surgeons (ASAPS), Dr Ingram is also a regular faculty member for the Melbourne Advanced Facial Anatomy Course (MAFAC), teaching facial aesthetic surgery techniques to other specialists in Australia and overseas.
